

FAITH OF DEATH

RELEASE 2026

LINE UP

TIMELINE

FACES OF DEATH

O trio formado por Laurence (G/V), Flávio (D) e Vitor Hugo (B) conseguiu manter-se no ténue fio que separa o thrash do death metal. Algo como uma mistura de Sepultura com Sadus e Morbid Angel. As músicas são muito boas, apesar de alguns deslizes de produção deixarem alguns efeitos de guitarra meio desiocados, como na faixa *Human Race*. Mas esses detalhes vão se arrumar na estrada, pois tutano eles têm! Contatos: Rua Olímpio de Godoy Romeiro 164, Pindamonhangaba/SP, 12400-000. (FSF)

1996

However, still in 1996, as one of the members moved to another city, the band found it difficult to keep gathering for practices and the group came to an end. The situation ended up leaving an open wound on everyone. In fact, the members really wanted to use their music as a weapon against the mediocrity of religion impositions, the "sales of fear" culture, the lies and the "manipulation of people as cattle", problems we experience in our society until the present days.

2018

As **Felipe Rodrigues** (lead guitar) joined the band in 2018, the band finally recorded their first album, called "**From Hell**". The album was among the **main highlights of that year on Roadie Crew Magazine (#238 and #240)**.

2022

The musicians **Luiz Amadeus** (guitar) and **Niko Teixeira** (drums) joined the band to continue the evolving professionally without leaving aside the aggressiveness and brutality. Also scheduled is the long-awaited **tour of Europe**, the "Hellropean Tour", organized by the company Onfire Agency, passing through countries such as **gium, Holland, Poland and the Czech Republic**.

1990

Faces of Death is a Brazilian thrash metal band formed in **1990** in a small town in the countryside of São Paulo. Formed by three teenagers who disagreed with the religion impositions. Their main objective in the beginning was to play **thrash metal** as a way to stir up fury and anger on their music and lyrics.

2016

20 years have passed since "**Retrocession**", when **Laurence Miranda** (vocals and guitar) invited his brother **Sylvio Miranda** (bass), to resume the band activities and rescue the 90s essence. **Sidney Ramos** (drums) was also invited to participate. He got the idea and decided to dive into the revival of **Faces of Death**.

2020

In the midst of COVID-19 pandemic, the band releases its second album, named "**Usurper of Souls**", where **Laurence Miranda** (vocals and guitar), **Felipe Rodrigues** (lead guitar), **Sylvio Miranda** (bass) and **Sidney Ramos** (drums) mix Thrash and Death Metal bringing even more anger and fury into their music and compositions. The album "Usurper of Souls" was among the **main highlights of that year on Roadie Crew Magazine (#258)**.

2022

Faces of Death debuts its new phase with the single and video clip of "**When Calls The Death**", the first sample of the work that **Laurence Miranda** (vocals and guitar), **Luiz Amadeus** (guitar), **Sylvio Miranda** (bass) and **Niko Teixeira** (drums) promise for the successor to the critically acclaimed "Usurper of Souls" (2020). The song was produced by the band at Audiolab Extreme Studio (Taubaté/SP) under the command of Niko Teixeira, who was also responsible for mixing and mastering.

1994/1996

Two demo-tapes have been released between the years of **1994** and **1996**, being the second one called "**Retrocession**", and it was **reviewed on the Rock Brigade (#114)**, which was the most important magazine in the category at that time.

2017

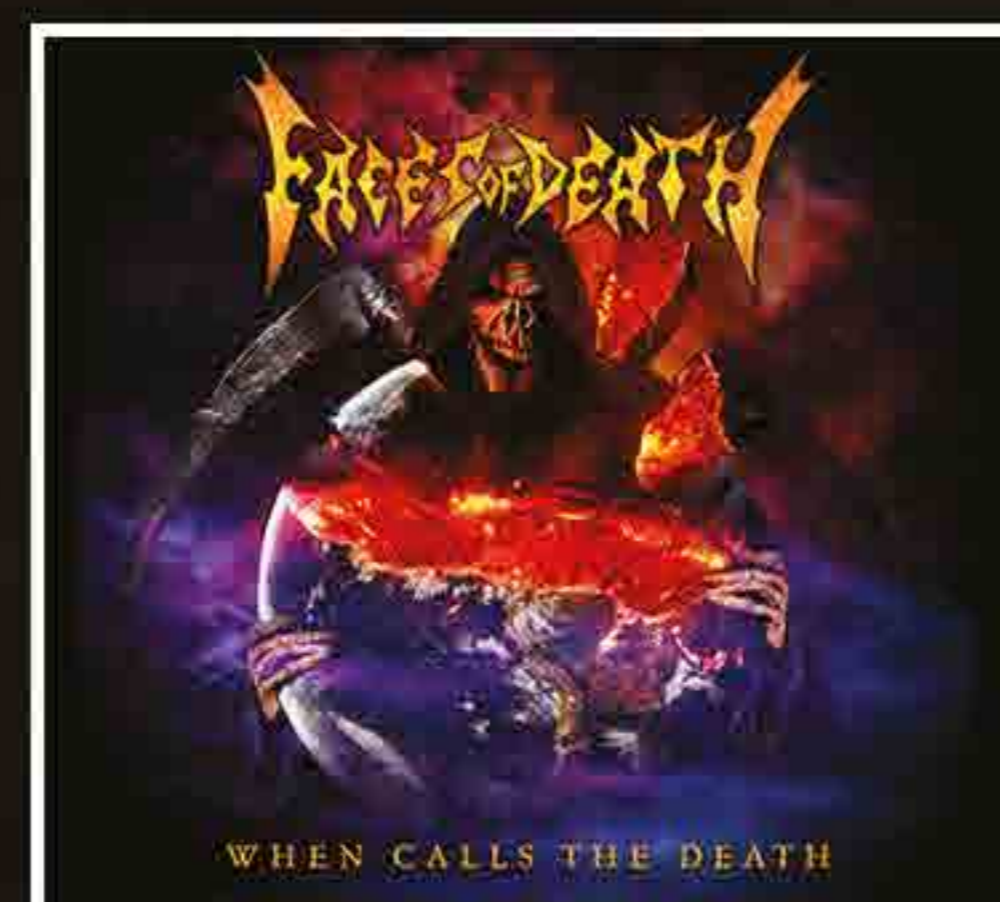

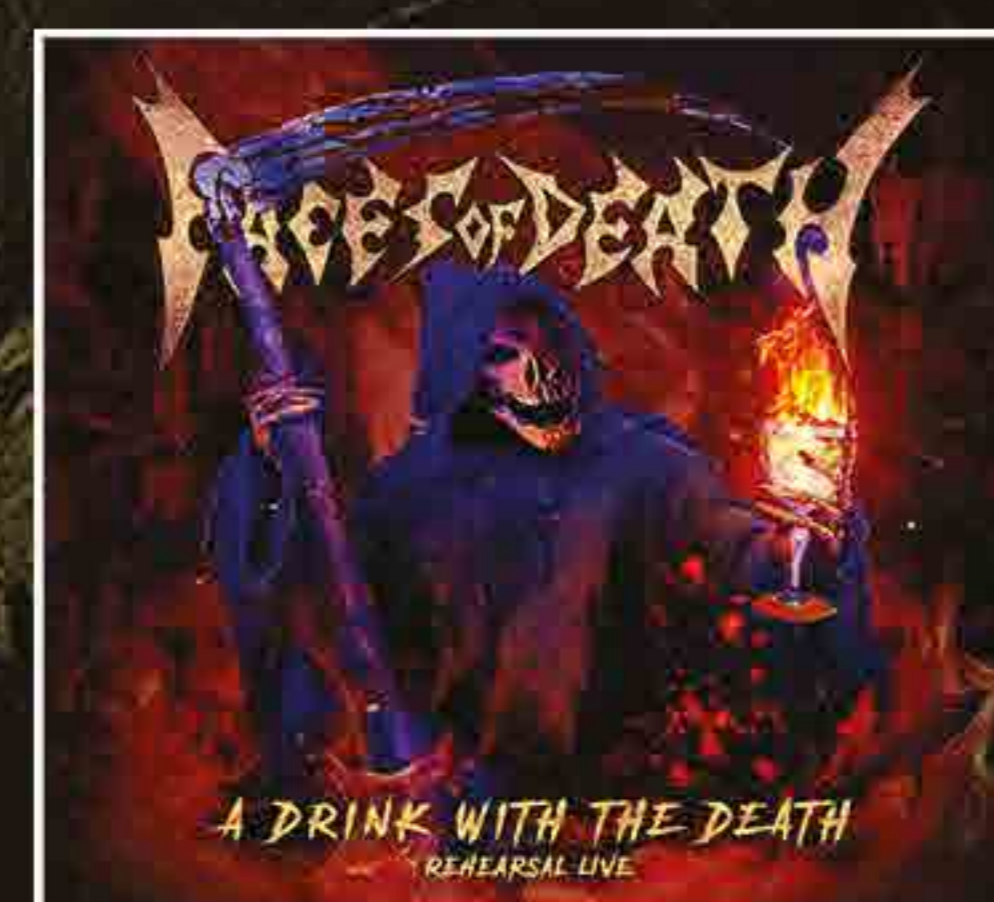

After the comeback, the band released "**Consummatum Est**" in 2017. The EP received a very positive feedback from the underground scene and was **nominated highlight on the specialized media, Heavy N' Roll**.

2021

We are still fighting the Covid 19 pandemic. However, "**Faces of Death**" released the video "**A Drink With The Death - Rehearsal Live**". It's available on the YouTube Channel, streaming media and CD. The **Faces of Death** invites the experienced "**Luiz Amadeus**" (Lead Guitar) to join the band and bring more brutality.

2023

The new album **Evil** is released, which rescues the essence of Thrash Metal from the 80s/90s. **Evil** was also chosen among the highlights of 2023 by the Roadie Crew team and the specialized press.
